IOWA'S EBT FARMERS MARKET PROJECT

Bringing Farmers Markets and Food Assistance Together

Look for the signs with the pictures of the EBT/Iowa card. You can spend your Food Assistance benefits at the farmers listed in this brochure.

**SNAP EBT can be used to buy
fruit, vegetables, meat, eggs, baked goods,
honey, cheese, herbs, jelly and jam, etc.
You may not use EBT for
hot prepared foods or hot drinks.**

For more information, visit
www.dhs.state.ia.us and click on
'Food Assistance' to view information about
the Farmers Market Project or call the
Customer Call Center at (877) 937-3663.

EBT Farmers Market Project

2012

For the past seven years, Iowa Food Assistance households have been able to spend their benefits at farmers markets around the state.

This program was designed to provide fresh and nutritious foods from farmers markets to your family and to expand the awareness, use, and sales at farmers markets. **Certain farmers have special equipment that can accept the EBT card as payment.** The farmers can accept the EBT cards at the farmers markets, roadside stands, or even on the farm.

Just look for the farmers with the signs that show they accept EBT. In this brochure, you will learn where the markets are located and the names of the farmers who can accept EBT.
